2014 Band Camp

Directions - Greenbrier Youth Camp:

From Salem, take I-81N to exit 150B. Merge onto US 11 South and turn right on **220N**. Go through Clifton Forge and follow signs to get onto **I-64 West** heading toward Lewisburg, WV.

At the Lewisburg exit (1 hour & 40 minutes from Salem) turn right onto **route 219** and continue for nearly 10 miles.

When you pass an Exxon on the right followed by a cemetery on the right, you will turn right onto **Anthony Road**. Go about 5 miles and every time you come to a fork, take the downhill option.

When you cross the Greenbrier River, turn left. The camp will be on your left shortly.

The Rescue Squad is 5 miles away. We will take a medical person with us, and rest assured that we will do everything to ensure your child's health.

All medicines (prescribed and over the counter) must be in their original containers for camp. There will be a table set up on Sunday, August 19 to hand medicines in to take to camp.
